The History of the Carnival:

The Notting Hill Carnival is an annual event that since 1965 has taken place on the streets of Notting Hill, London each August, over three days (the August bank holiday Monday and the two days beforehand). It is led by members of the West Indian community. The Carnival has attracted around one million people in the past years, making it one of the largest street festivals in the world.

The roots of the Notting Hill Carnival come from two separate but connected strands. The Carnival began in January 1959 in St Pancras Town Hall as a response to the depressing state of Race Relations at the time; the UK's first widespread racial attacks (the Notting Hill Race Riots) had occurred the previous year.
